**Andrew Mynarski V.C. Junior High School
 Mission Statement 2006-2007**

- ⇒ We believe strongly that every student is entitled to the best education possible.
- ⇒ We are committed to providing a positive learning environment and an educational program that enables all students to achieve optimal growth and success.
- ⇒ We believe that a positive school climate considers individuals to be equal and important, and provides for a sense of belonging.
- ⇒ We strive for excellence and a positive working relationship that allows students to support and respect each other, to operate on a high level of trust, pride, flexibility and confidence.
