School Intramural Equipment Grants

MPETA is pleased to be launching a grant program to be used for the purchasing of for non-traditional Intramural Equipment. Please note that equipment used for inter-scholastic activities (basketball, volleyball...) will not qualify for the grant funding.

This grant program has been made possible with the contributions of CIRA Manitoba and MPETA.

There will be 15 grants of up to \$300 available for 2008-2009 school year.

CRITERIA

- Applicants have to have a current MPETA membership.
- Applicants are to complete the Intramural Equipment Grant Application Form.
- One grant application per school will be accepted.

Once approved, the applicant will submit the invoice, receipt or purchase order for the equipment along with an article for the MPETA Journal (see details below). Funding will be released upon receipt of these 2 items.

This article should include the following:

- Equipment description (include a picture if desired)
- Amount of equipment purchased
- Total cost of equipment (if the equipment cost exceeded the \$300 grant, indicate where the additional funds came from)
- Where the equipment was purchased from
- Description of an activity or game that will used the equipment. Include all necessary details so that others may replicate this idea.

INTRAMURAL EQUIPMENT GRANT APPLICATION

I am a member of MPETA Yes No*

*If you are not a MPETA member, please contact the MPETA office about purchasing one to be eligible for consideration.

Member Name _____ Email _____

School _____ Grades _____ Division _____
