

Dear Grade 6 Teachers,

Everyone in your class is a leader for our tabloid day.

Enclosed in this package is:

- A description of our day
- 35 station descriptions
- A list of station leaders and their assigned station and their co-operating teachers name
- A worksheet to help our students know what they will be doing and what their responsibilities are
- A map of our field

Please have the leaders work at this assignment at the beginning of next week; so, we can answer any questions that they may have.

My hope is to have the leaders well prepared and ready to go by Thursday.

Good luck,

Barbie Shukster
