Memo to Teachers: **Re: TABLOID DAY- from Barbie**
Friday Sept. 19 Monday Sept. 22 Rainday

Recommendations from last year:
-Major recommendation was not to have teachers involved in setting up stations….so to accommodate this request, I
Propose our leaders set up from 9:00 – 9:15 a.m. We could give a signal over the P.A. to start the day.

-Please read the package I gave you. It will answer most of your questions. If it doesn't, please feel free to see me individually.

- The zip-lock Baggies and score sheet will be given out to the classrooms. Please put names, room numbers, and grade on score sheets. Last year this was a problem, as many sheets were not filled in.
-No kindergarten classes involved this time.

Concerns:
Grade one- new activity, children not familiar with the playground.
-Walk about duties, important for teachers to do.
-Lunch hour –indoor, quiet indoor recess type activities.

Starting time in the afternoon	- 1:00 p.m.
-Close down time: approx.	- 1:50 p.m.
–recess	- 2:00 p.m.
-Groups leaves for the Terry Fox Walk	- 2:15 p.m.

Walk about duties: -please read carefully.

We've always had a great school experience, because everyone works together for a common success. THANKS!!!!
