What is MPETA?

The Manitoba Physical Education Teachers Association is affiliated with the Manitoba Teachers Society as a special area group.

MPETA is an educational and professional organization, which is dedicated to serve physical education in Manitoba schools.

MPETA Goals

- To promote and advance the quality of physical education in Manitoba schools;
- To have a proactive approach to the promotion of physical education and the challenges affecting quality daily physical education programs in Manitoba schools;
- To foster a closer personal and professional relationship among physical education teachers;
- To further in-service training of teachers of physical education at all levels of the school system;
- To distribute information about current physical education developments;
- To promote continued and improved partnerships with all affiliated agencies who are associated with physical education;
- To promote quality daily physical education.
